

Zmýst/Contents/Contents Crimean therapeutic journal, No. 1(12) - 2009

Lectures and Look

[Prevention of cardiovascular risk in type 2 diabetes mellitus. American Diabetes Association 2008 Guidelines g.....6](#)

HE. Kryuchkova, E.A. Itskova, G. Shahbazidi

[H2 hydrogen breath tests in the diagnosis of bacterial overgrowth syndrome growth.....9](#)

I.L. Klyaritskaya, E.O. Shelikhova

News in cardiology

[Metabolic syndrome. Correction dyslipidemia.....13](#)

HE. Kryuchkova, E.A. Itskova.

[Hyperuricemia is a new cardiovascular risk factor complications.....16](#)

T.N. Mudritskaya, A.V. Malchenko

[Arterial hypertension and metabolic syndrome.....19](#)

T.N. Mudritskaya

News in gastroenterology

[Dysfunction of the biliary tract in the light of Roman III criteria.....22](#)

I.L. Klyaritskaya, Yu.A. Moshko

Original research

[The influence of thyroxine and pleural tissue extracts \(in a post mortem study\) on the fibrinolytic activity of leukocytes in patients with chronic heart failure.....27](#)

S. E. Glazunov

[Osteoarthrosis and osteoporosis: mechanisms of implementation and methods diagnostics.....30](#)

L.M. Pasiashvili, L.N. Beaver

[Characteristics of the severity of COPD in patients with metabolic syndrome using a scale BODI.....34](#)

E.V. Travina, A.A. Khrenov

[Dynamics of testosterone-dependent functional activity of cellular immunity depending on the level of spinal damage in patients with neurotrauma and chronic obstructive disease lungs.....38](#)

V. P. Ustyuzhanin

[Ethnic features of inheritance of predisposition to breast cancer glands.....42](#)

O.V. Petrova, B.D. Seferov, G.S. Nor, V.M. Sorkin

[Study of motor-evacuation function and the state of intestinal biocenosis using a hydrogen breath test in patients with irritable syndrome intestines.....46](#)

I.L. Klyaritskaya, E.I. Stilidi

[Some aspects of diagnosis and treatment of chronic obstructive pulmonary disease in its initial manifestations development.....50](#)

V.V. Kilessa

[The use of the drug Coraxan as a new direction in the treatment of coronary disease hearts.....52](#)

E.I. Lebed, O.N. Kryuchkova

[Dynamics of dental status in the treatment of chronic generalized periodontitis in women with different levels of estradiol.....55](#)

HE. Kuznetsova

[The influx of concomitant chronic obstructive disease into the microbiocenosis of the small intestine and the clinical transition of chronic pancreatitis.....59](#)

L.S. Babinetsky, O.S. Kvasnitska

[Features of postoperative management and rehabilitation of patients with lower limb lengthening using implantable distraction devices Bliskunova.....62](#)

S.N. Kutsenko

[Celiac disease and associations syndrome.....65](#)

I.O. Iskova

[Some features of glucose metabolism in erythrocytes during hypoxic syndrome in patients with cirrhosis cookies.....68](#)

M.S. Krutikova, S.M. Chernukha, T.V. Ostanina, S.B. Seytadzhieva

[Experience of using the drug Defenorm in the treatment of constipation syndrome.....71](#)

I.L. Klyaritskaya, I.A. Viltsanyuk, I.V. Khutoryanskaya

Clinical episode

[Achieving reverse development of left ventricular hypertrophy during therapy
noliprel.....75](#)

HE. Kryuchkova, T.V. Kucherenko, E.A. Itskova
