News in cardiology

[Depressive disorders in cardiology](#) practice.....26 *O.N. Kryuchkova, E.Yu. Turna, T.V. Kucherenko*

News in gastroenterology

[Eosinophilic esophagitis](#).....29
Yu.O. Moshko

[Insulin resistance and hepatitis C](#).....32 *I.L.*

Klyaritskaya, E.V. Maksimova

[Drug interactions between proton pump inhibitors and clopidogrel](#).....38 *I.L. Klyaritskaya, E.V. Maksimova*

[Optimization of therapeutic strategies for the treatment of Helicobacter pylori infection in modern stage](#).....43

S.M. Tkach, I.L. Klyaritskaya, A.P. Balabantseva

[The changing face of irritable syndrome](#) intestines.....50 *I.L.*

Klyaritskaya, E.V. Maksimova

News in pulmonology

[Obstructive sleep apnea syndrome](#) sleep.....56 *M.G. Shkadova*

Original research The

[influence of fixation of fixed prostheses supported by various types of implants on the bioelectric activity of prosthetic tissue](#) box.....60 *N.V. Marchenko, S.K.*

Severinova, O.L. Irza, S.A. Bobkova, E.A. Krylova, S.A. Forostyany

[Asterixis in patients with liver cirrhosis with clinical manifestations of hepatic encephalopathy](#).....62

L.L. Korsunskaya, E.V. Klopotiy

[Overview of aspects of pathogenetic therapy for alcohol-viral subcompensated cirrhosis](#) cookies.....65

EAT. Starodub, O.Ye. Samogalska, T.B. Lazarchuk, N.V. Lobanets

[Gender characteristics of clinical examination and diagnosis of IHS: angina pectoris voltage.....68](#)
E.I. Swan

[The level of cardiac troponin I in patients with acute myocarditis with various disorders of heart rhythm and conduction.....71](#)
Z.M. Mirmuminova, E.S. Krutikov

[Syndrome of tissue dysplasia in patients with dilated cardiomyopathy.....74](#)
Z.M. Mirmuminova, E.S. Krutikov, S.M. Krutikov, D.T. Umarova

[Modern medical and social aspects of maternal and child health in Ukraine.....77](#)
B.P. Kaliberdenko, L.P. Kolbasina, M.V. Sausage

[Modern views on the surgical treatment of periodontitis using bioplastic materials.....80](#)
V.N. Kirichenko

[Arterial hypertension associated with metabolic syndrome - nosology or symptom?.....84](#)
N.S. Kuznetsov, A.A. Syurin, E.N. Kirilenko

[The effect of pentoxifylline on plasmin-induced functional activity of mononuclear leukocyte cell culture in patients with combined hepatopulmonary pathology.....88](#)
M. A. Zakharova

[Peculiarities of the dynamics of heart rate variability in patients with spinal osteochondrosis with neurological manifestations and hypersympathicotonia with various methods of complex therapy and rehabilitation.....91](#)
Yu.V. Bobrik

[Peculiarities of the structure of the wounded arterial pressure and the frequency of heart rates in patients with hypertensive disease associated with metabolic diseases syndrome.....93](#)
M.S. Kuznetsov, O.A. Syurin, K.M. Kirilenko

[Indicators of cellular immunity in patients with chronic generalized periodontitis are similar to estradiol in plasma blood.....97](#)
O.M. Kuznetsova

[Possibilities for diagnosing fibrosis in non-alcoholic steatohepatitis100](#)
T.A. Tsapyak, I.L. Klyaritskaya, N.Yu. Novikov

[Injection of a wind pool of chemicals onto periodontal tissue103](#)
I.O. Mikhailenko

[Morphokinetic characteristics of pain in children with chronic viral hepatitis during remission106](#)
N.V. Lagunova, O.D. Lebedeva

[Cytotopography of lectin receptors in the mucous membrane of the duodenum with viral disease109](#)

O.A. Kostyukova, N.P. Buglak, A.M. Yashchenko, O.R. Dzhura N.A. Gnezdilova, N.I. Teslenko, O.V. Repinsky

[Assessment of morphological changes in the gastric mucosa in peptic ulcers associated with H. pylori during eradication therapy with various proton inhibitor regimens](#)

[pumps.....115](#)

V.V. Crooked

Clinical episode

[A case of Caroli disease with situs viscerus inversus totalis.....120](#)

N.N. Volobuev, N.I. Vorovsky, V.G. Gusarov, V.V. Tsapyak, N.A. Tsaturyan
